DEDICATED TO THE HEALTH OF ALL CHILDREN®

Disclosure of Commercial Support for AAP CME Activities

The AAP gratefully acknowledges support for the 2019 Pediatric Hospital Medicine Conference (PHM 2019) from the following organizations:

Abbott Nutrition (unrestricted educational grant for PHM 2019)

Konica Minolta Healthcare America (in-kind contribution of durable equipment for a PHM 2019 Workshop)

Mead Johnson and Company, LLC (unrestricted educational grant in support of the Newborn Medicine: Neonatal Simulation and Procedural Skills pre-conference session)

Seattle Children's Hospital (support of the AAP Section on Hospital Medicine 20th Anniversary Reception)

Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities Grid

The AAP CME/CPD program develops, maintains, and improves the competence, skills, and professional performance of pediatricians and pediatric healthcare professionals by providing quality, relevant, accessible, and effective educational experiences that address gaps in professional practice. The AAP CME/CPD program strives to meet the educational needs of pediatricians and pediatric healthcare professionals and support their lifelong learning with a goal of improving care for children and families. (AAP CME/CPD Program Mission Statement, May 2015)

The AAP recognizes that there are a variety of financial relationships between individuals and commercial interests that require review to identify possible conflicts of interest in a CME activity. The "AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities" is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. The AAP has taken steps to resolve any potential conflicts of interest.

All AAP CME activities will strictly adhere to the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support: Standards to Ensure the Independence of CME Activities. In accordance with these Standards, the following decisions will be made free of the control of a commercial interest: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to resolve them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

Activity Title: 2019 Pediatric Hospital Medicine Conference

Activity Location: Hyatt Regency Seattle, Seattle, Washington

Activity Dates: July 25-28, 2019
