

Hospital Medicine Update: A Full System Review

SHM Minnesota Chapter Annual Conference

Thursday, October 24th – Friday, October 25th, 2019

Hilton Minneapolis 1001 Marquette Avenue South, Minneapolis, MN 55403

An aerial photograph of Minneapolis, Minnesota, showing a dense urban skyline with various skyscrapers and buildings. In the foreground, there is a large green park with many trees, some of which are showing autumn colors. A body of water is visible in the lower right corner. The sky is blue with scattered white clouds.

- Prior to June 30, 2019: 50% Refund
- Between July 1 - September 2, 2019: 25% Refund
- After September 2, 2019: No Refund

Course Overview

Increased specialization and rapid advances in hospital medicine have made it difficult for clinicians who provide inpatient care to stay updated on new procedures, treatments and medication protocols. "Hospital Medicine Update: A Full System Review" will provide updates on the latest evidence-based guidelines and best strategies for diagnosing and treating conditions such as heart failure, chronic obstructive pulmonary disease, endocarditis, neurologic diseases, the use of medical marijuana, advocacy in hospital medicine and much more.

Who should attend?

This conference is ideal for practicing hospitalists who manage adult or pediatric in-patients with a background in internal medicine, family medicine and pediatrics, as well as nurse practitioners and physician assistants. It will also appeal to those interested in learning more about hospital medicine, including out-patient clinicians engaged in medical education and training programs. The scope will include urban, suburban and rural hospital medicine. Lastly, medical students and residents are also encouraged to join the conference as the winner of the annual poster session will receive an automatic entry into the national abstract competition.

CME Information

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Society of Hospital Medicine and the SHM Minnesota Chapter. The Society of Hospital Medicine (SHM) is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Hospital Medicine designates this live activity for a **maximum of 14.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians should only claim credit commensurate with the extent of their participation in the activity.
