

Welcome to SHM.

Discover the benefits of your membership.

shm[®]
Society of Hospital Medicine

Welcome to the Society of Hospital Medicine (SHM).

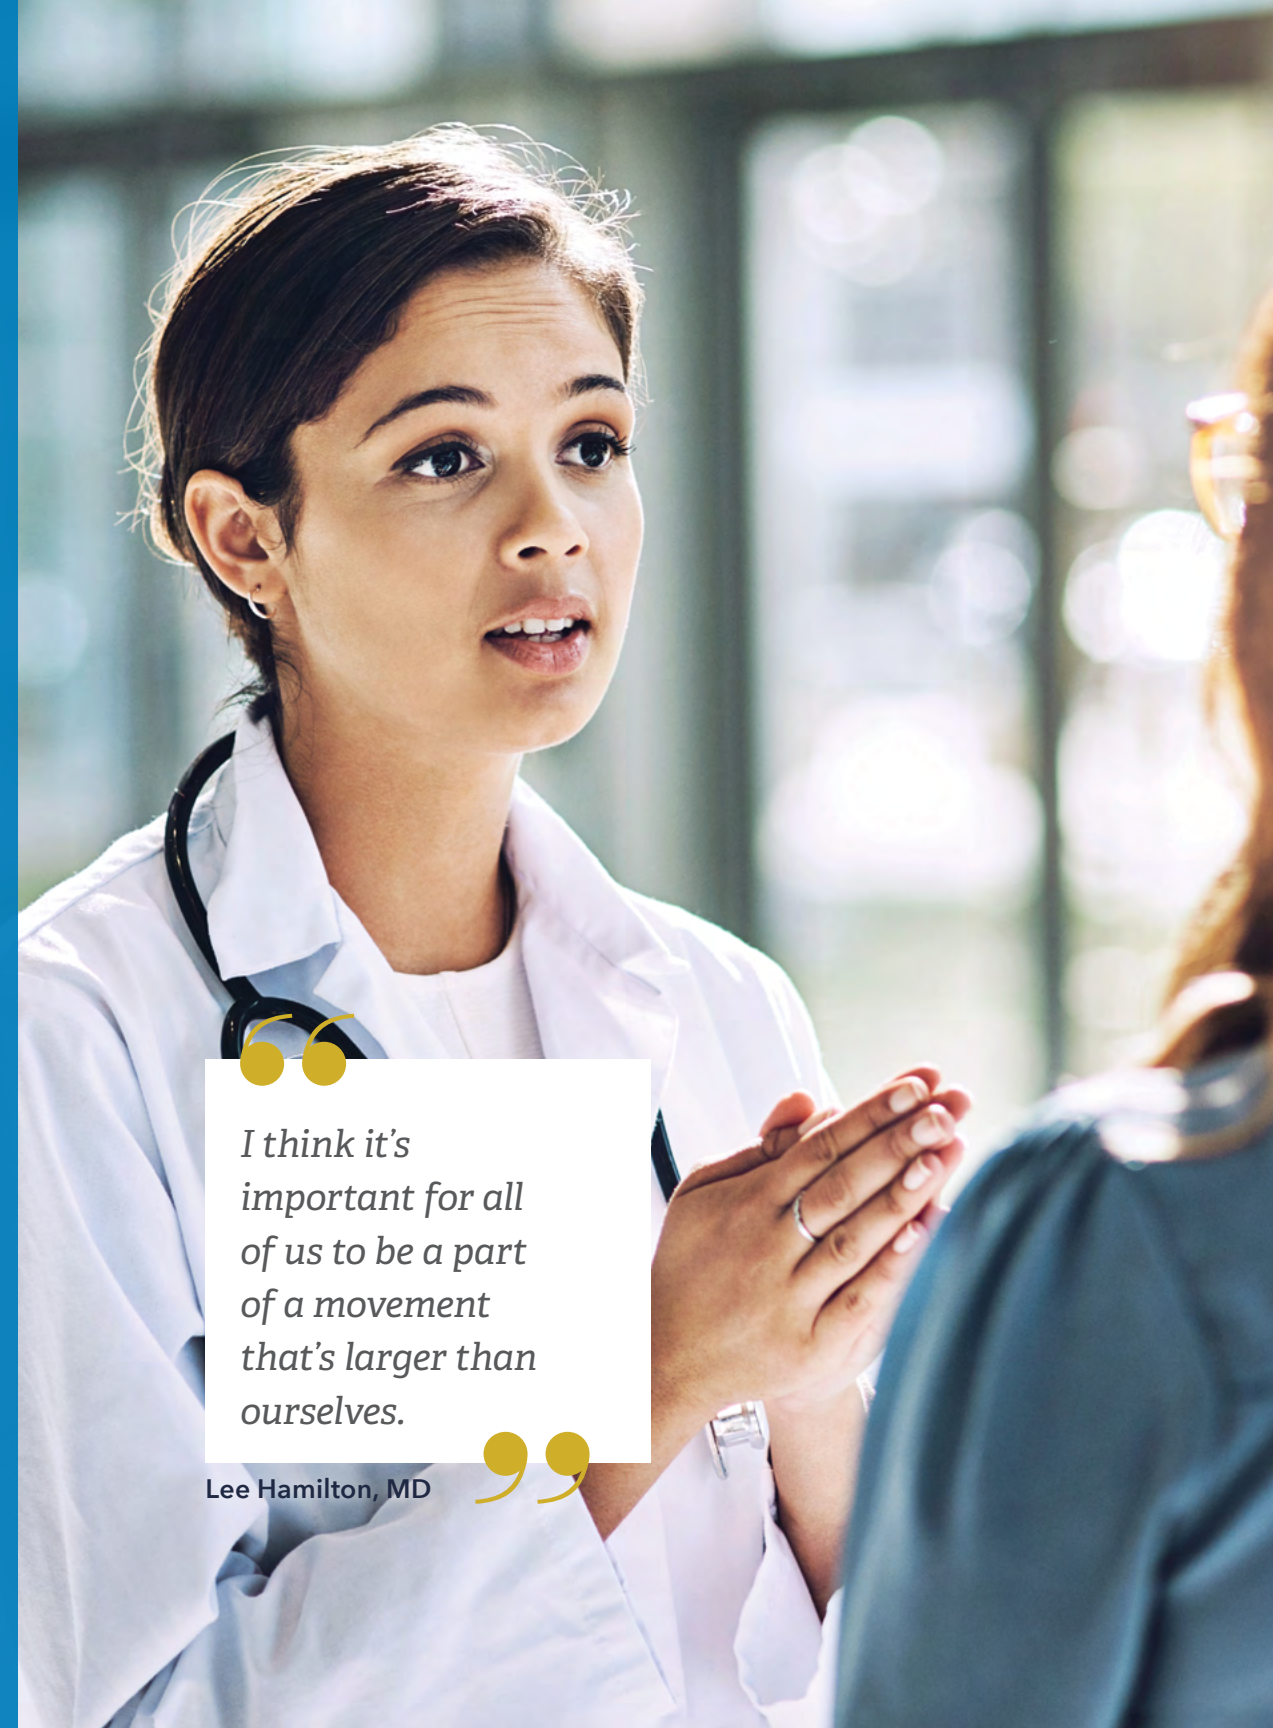

On behalf of the entire SHM community, I would like to thank you for your commitment to providing exceptional care to hospitalized patients.

You have joined a vibrant network of hospitalists working together to transform patient care. Your membership is greatly appreciated, and your commitment allows the organization to continue to develop essential resources that positively impact the healthcare system and improve patient outcomes. Your engagement strengthens not only SHM but the entire hospital medicine movement.

This welcome brochure contains important information to help you maximize your SHM membership. SHM staff is always at your service to help you navigate the environment. Contact us with any questions at membership@hospitalmedicine.org.

Thank you again for your commitment to SHM and to hospitalized patients.

Danielle Scheurer, MD, MSCR, SFHM
President, Society of Hospital Medicine

I think it's important for all of us to be a part of a movement that's larger than ourselves.

Lee Hamilton, MD

Make the most of your membership.

Your SHM membership offers a variety of resources and exclusive benefits that can be tailored to your interests.

Not sure where to begin?

Activate your member profile.

We encourage you to log into your account to activate your member profile and verify your preferences and contact information. This ensures that you receive important SHM communications and valuable content that aligns with your interests and area of practice.

- Visit hospitalmedicine.org/logon.
- Select "Reset Password."
- Enter your email address to have a temporary password sent to your inbox.

Visit SHM online.

The SHM website is your gateway for accessing SHM's programs, initiatives and exclusive content, including white papers, webinars, and clinical and educational resources on issues currently impacting the specialty.

hospitalmedicine.org

Connect with SHM on social media.

Follow us at @SocietyHospMed on Twitter, Facebook, Instagram and LinkedIn for the latest information impacting hospital medicine.

Have questions about your membership? We're here to help.

SHM's membership team can be reached at membership@hospitalmedicine.org or by phone at (800) 843-3360.

Educational resources by hospitalists, for hospitalists

Whether you are preparing for the Focused Practice in Hospital Medicine (FPHM) exam or refreshing your knowledge, SHM offers the best resources to help you meet your continuing education goals.

Access on-demand CME.

The SHM Learning Portal is your online destination for hospital medicine-focused CME. SHM members have access to up to 130 credits on their computer or mobile device. Access pre-recorded webinars and on-demand CME modules developed by experts in the specialty.

shmlearningportal.org

Earn CME and MOC on the go.

SHM members can earn an additional 20 CME credits and MOC points per year by answering the Question of the Day in the new SHM Education app.

hospitalmedicine.org/eduapp

Prepare with confidence: Spark Edition 2

Spark Edition 2 is the only study tool you need to prepare for the Focused Practice in Hospital Medicine (FPHM) exam. Spark Edition 2 features 450+ vignette-style multiple-choice questions that you can answer at your convenience across all devices and allows you to earn up to 112.5 AMA PRA Category 1 Credit™ and ABIM MOC points.

hospitalmedicine.org/spark

The Society of Hospital Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

“
SHM provides hospital-based providers with a platform to learn from, network through and make our voices and needs heard.
”

Suj Sundararaj, MD, MBA

Build impactful connections for your future.

With SHM, every interaction has the potential for career advancement, collaboration and educational growth.

Special Interest Groups

Special Interest Groups (SIGs) unite colleagues with similar interests and practice areas. Engage with members around the issues that matter most to you and help shape the goals and initiatives at SHM.

hospitalmedicine.org/sigs

Chapters

Stay connected to your local hospital medicine community at live events and virtually through your chapter's online community. SHM has more than 65 chapters worldwide that regularly hold educational and networking events.

hospitalmedicine.org/chapters

SHM's Online Community

The Hospital Medicine Exchange (HMX) is an information and engagement hub where members can connect with local chapter members, collaborate with SIGs and/or committee members and communicate with the membership at-large on the open forum.

hospitalmedicine.org/hmx

Advance your career.

SHM is here to walk you through all stages of your career.

SHM Fellows Designations

Gain credentials that will establish you as a leader in hospital medicine, prove your contributions to the field and position you for a successful, enduring career. SHM offers Fellows designations across a variety of membership categories, including physicians, qualified practice administrators, doctors of pharmacy, nurse practitioners and physician assistants. Rooted in the Core Competencies in Hospital Medicine, those who have achieved the designation of Fellow in Hospital Medicine (FHM), Senior Fellow in Hospital Medicine (SFHM) or Master in Hospital Medicine (MHM) are dedicated to promoting excellence and innovation and improving the quality of patient care.

hospitalmedicine.org/fellows

SHM Committees

SHM provides members with opportunities to serve as volunteers on committees, helping to shape the society and its initiatives. This includes building resources for the specialty and ensuring that SHM remains at the forefront of hospital medicine.

hospitalmedicine.org/committees

SHM Career Center

Discover your next career opportunity and read news and professional advice. SHM's Career Center is focused exclusively on hospital medicine, providing you a targeted experience that features professional opportunities and content to fit your needs.

shmcareercenter.org

Learn from the best at SHM's live events.

Re-energize your practice and expand your network with today's hospital medicine leaders. SHM members receive discounted pricing on a variety of insightful and engaging meetings in the specialty.

I enjoyed the variety of both clinical and non-clinical subjects offered at SHM's Annual Conference. The presenters are the best in their fields, and having the opportunity to learn from them was amazing.

Ramin Yazdanfar, MD

SHM's Annual Conference is the largest national gathering of hospitalists in the United States, offering you an array of educational and networking opportunities to enhance your practice, increase your visibility and learn from leaders in the field.

shmannualconference.org

Academic Hospitalist Academy (AHA) is held in partnership with SHM, the Society of General Internal Medicine and the Association of Chiefs & Leaders of General Internal Medicine. AHA provides academic hospitalists with the educational, professional and scholastic skills needed to accelerate their careers.

academichospitalist.org

SHM Leadership Academy prepares clinicians, academics and administrators with vital leadership skills designed with hospital medicine professionals in mind.

shmleadershipacademy.org

Pediatric Hospital Medicine (PHM) is sponsored by SHM, the American Academy of Pediatrics and the Academic Pediatric Association to deliver educational and networking opportunities specifically curated for pediatric hospitalists.

phmmeeting.org

Adult Hospital Medicine Boot Camp is a joint meeting from SHM and the American Academy of Physician Assistants designed as a refresher on the most commonly encountered diagnoses and diseases of adult hospitalized patients.

hospitalmedicine.org/bootcamp

Quality and Safety Educators Academy (QSEA) provides medical educators with the knowledge, skills and confidence to develop curricula that will educate and engage residents or students in quality improvement and patient safety.

hospitalmedicine.org/qsea

I believe that the Fellow in Hospital Medicine designation has fostered connections in the hospital medicine community and within my own institution that may not have been open to me before. I would highly recommend that eligible hospitalists pursue this designation.

Patricia Seymour, MD,
FAAFP, FHM

Improve patient outcomes.

SHM's award-winning Center for Quality Improvement offers a personalized approach to quality and patient safety through a flexible portfolio of programs, tools and resources that can be customized to best meet the needs of your institution. Whether you are learning more about the quality improvement process or leading innovations and patient safety initiatives, SHM's Center for Quality Improvement is your ideal partner and resource center.

Key clinical topics include:

- Acute Coronary Syndrome
- Antibiotic Resistance
- AFib
- Care Transitions
- COPD
- Congestive Heart Failure
- Glycemic Control
- Medication Reconciliation
- Opioid Safety
- Pain Management
- Palliative Care
- VTE

View a full listing at hospitalmedicine.org/thecenter.

SHM's Center for Quality Improvement embraces the opportunity to avail the voice of the frontline hospitalist, to focus on strategic performance and patient-centered quality improvement initiatives.

Mangla Gulati, MD, CPPS, FACP, SFHM

Stay current on hospital medicine trends and optimize your practice.

SHM's publications portfolio offers comprehensive coverage of the field, including clinical developments, news and research, and trends in hospital medicine. As a member, you are encouraged to contribute your perspective and expertise through writing opportunities in these publications.

The **Journal of Hospital Medicine (JHM)** is the first and only monthly peer-reviewed journal dedicated to hospital medicine. Free online access to the journal is a member-only benefit and includes the *Core Competencies in Hospital Medicine* and the *Pediatric Core Competencies in Hospital Medicine*, among other influential supplements and research. *JHM* advances excellence in care and advocacy for safe and effective patient care.

journalofhospitalmedicine.com

The Hospitalist, SHM's monthly news magazine, covers current issues and trends, including evidence-based clinical reviews, ethical concerns, public policy profiles and interviews with experts in the field.

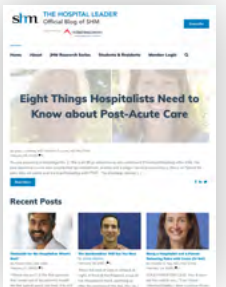

the-hospitalist.org

The Hospital Leader, the official blog of SHM, provides timely news, information and commentary on the most compelling issues in the specialty, including clinical updates, practice management, healthcare policy, ethics and more.

hospitalleader.org

The **State of Hospital Medicine (SoHM) Report** is an indispensable tool for hospital medicine program leaders and practicing hospital medicine professionals. The biennial *SoHM* Report offers current data on hospitalist compensation and production, as well as extensive coverage of practice demographics, staffing levels, turnover, growth, compensation models and financial support for solid, evidence-based management decisions. SHM members can purchase the latest *State of Hospital Medicine Report* at a discounted rate.

Visit hospitalmedicine.org/sohm to order.

SHM is advocating for you.

SHM works on behalf of hospitalists and patients nationwide to advance the practice of hospital medicine and improve the healthcare system.

Take action.

SHM hosts a Legislative Action Center where you can engage with policy issues impacting hospital medicine professionals.

SHM's Grassroots Network mobilizes hospitalists across the nation to become the voice of hospital medicine in healthcare policy. Through this network, you can work alongside your colleagues to advocate for hospital medicine, hospitalists and patients.

Learn about current issues.

View current issues and read recent statements and white papers from SHM.

hospitalmedicine.org/advocacy

SHM's Advocacy Academy: Interactive Learning and Hill Day

Apply to attend this member-only, two-day event with congressional meetings, policy briefings and policy-related educational sessions offering CME. You will have the opportunity to walk the halls of Congress and advocate on behalf of hospital medicine and your patients while gathering insights and skills to become better advocates.

hospitalmedicine.org/advocacyacademy

If I had one regret, it's not joining as soon as I became a hospitalist.

Ilya Yepishin, DO

SHM Partnerships

SHM has developed partnerships with organizations whose services offer increased value and professional support to our members. When you join SHM, you are immediately eligible to receive additional cost savings and access to services from our partners.

Student Loan Refinancing*

SoFi is a leader in student loan refinancing. SoFi consolidates and refinances federal and private student loans in order to offer rates customized to you, creating meaningful savings. Upon refinancing through sofi.com/shm, SHM members receive a 0.125% rate discount.*

Malpractice Insurance

The Doctors Company is the exclusively endorsed medical malpractice carrier for the Society of Hospital Medicine (SHM). Backed by the financial strength of more than \$4.5 billion in assets and a membership of 82,000 physicians nationwide, The Doctor's Company offers SHM members expert guidance, resources and coverage.

hospitalmedicine.org/doctorscompany

*Additional terms and conditions apply. Offer is subject to lender approval. To receive the offer, you must: (1) register and/or apply through the referral link you were given; (2) complete a loan application with SoFi; and (3) meet SoFi's underwriting criteria. SoFi reserves the right to change or terminate the offer at any time with or without notice.

#HowWeHospitalist

National Hospitalist Day occurs the first Thursday in March.

SHM celebrates hospitalists year-round, but now there is a day especially for you. Mark your calendars and join SHM in recognizing the contributions of hospitalists around the world.

hospitalmedicine.org/hospitalistday
